

CENIT@EA SCHOLARSHIPS TO PURSUE MASTERS STUDIES IN EMBEDDED AND MOBILE SYSTEMS (EMoS) AT THE NELSON MANDELA AFRICAN INSTITUTION OF SCIENCE AND TECHNOLOGY

CENTRE OF EXCELLENCE FOR ICT IN EAST AFRICA (CENIT@EA)

The CENIT@EA is initiated by the German Federal Ministry for Economic Cooperation and Development (BMZ) and the East African Community (EAC). It is funded by BMZ and implemented by German Agency for International Cooperation (GIZ) and the German Academic Exchange Services (DAAD) in partnership with the Inter-University Council of East Africa (IUCEA). The CENIT@EA is designed as a regional Centre serving Burundi, Kenya, Rwanda, South Sudan, Tanzania and Uganda and hosted at the Nelson Mandela African Institution of Science and Technology (NM-AIST) at the School of Computational Communication Sciences and Engineering (CoCSE). The CENIT@EA aims at establishing a demand driven Master Degree Programme in Embedded and Mobile Systems (MSc. EMoS), strengthening teaching and learning capabilities of East African Universities in ICT- related fields, and fostering regional networks and cross-sector partnerships between higher education institutions, industry, the public sector and civil society.

SCHOLARSHIPS

The CENIT@EA aims at achieving reasonable distribution of scholarships for master programme in *Embedded and Mobile Systems* following a transparent and fair selection of scholarship recipients. The CENIT@EA scholarships cover tuition fees applied at NM-AIST, monthly allowance, rent assistance, financial assistance for studies and research as per NM-AIST fee structure. Self-funded/ third-party sponsored candidates are highly encouraged to apply. The program will start at June 03, 2019 and it can accommodate a maximum of 50 students. For more information on scholarships please visit CENIT@EA website: <https://www.cenit-ea.org/> .
