MINISTRY OF EDUCATION

STATE DEPARTMENT FOR HIGHER EDUCATION AND RESEARCH

POSTGRADUATE COURSES IN THE FEDERAL UNIVERSITY OF LAVRAS IN BRAZIL

The Ministry is in receipt of communication from the Kenyan Mission in Brasilia forwarding information from Federal University of Lavras in Brazil, in the state of Minas Gerais offering a wide range of Science Based Courses.

The University has an ongoing internationalization programme whose goal is to increase international admissions at Masters and Doctorate levels. As part of this programme the university is offering courses in English to attract students from non-Lusophone countries.

Kindly note that this is not an outright scholarship, in this case **tuition** is free **BUT** the students will be required to pay for their air tickets, Brazil Visas and upkeep. However, some postgraduate programmes are eligible for monthly stipends which can be applied for after admission.

The complete list of existing courses and procedure of application is available at
