

REPUBLIC OF KENYA

**MINISTRY OF EDUCATION
STATE DEPARTMENT FOR HIGHER EDUCATION**

ANNOUNCEMENT

THE MATSUMAE INTERNATIONAL FOUNDATION RESEARCH FELLOWSHIP PROGRAM 2027

The State Department for Higher Education is in receipt of communication from the Ministry of Foreign and Diaspora Affairs announcing the **Matsumae International Foundation Research Fellowship Program 2027**.

Matsumae International Foundation (MIF) is a Japanese Non-Governmental Organization established in 1979 and it provides fully funded research fellowships to young non-Japanese researchers. It aims to foster international friendships, promote academic exchanges and support researchers who are passionate about contributing to solving the various issues facing their home with opportunities to learn from the scientific and technological knowledge that has been cultivated in Japan.

Eligibility Requirements: Applicants of non-Japanese nationality who meet all the following requirements are eligible to submit application documents.

- Applicants who empathize with the core values of the MIF.
- Applicants must have a full-time occupation in their home country, return there upon completing their fellowship tenure, and contribute to the development of their own country.
- Applicants must hold a Ph.D. (Doctor of Philosophy) at the time of application.
- Applicants must be 45 years old or younger at the time of application. (The birth year must be in or after 1981.)
- Applicants should not have past or current experience of staying in Japan. (other than short-term stays such as for sightseeing or conferences)
- Applicants must obtain acceptance from a host institution in Japan before applying.
- Applicants must have sufficient English or Japanese language ability.

Preferable research fields; natural science, engineering, medicine, and agriculture.

Fellowship Period; six months between June 2027 and March 2028. Please indicate the commencing and ending month in your Application Form (#1). (E.g., From September 2027 to February 2028.)

Host Institution in Japan; Applicants may choose a host institution in Japan, such as a university or national research institution, to conduct their research. Please ensure to obtain acceptance from the host institution before applying. The MIF does not provide advice or recommendations to applicants regarding host institutions in Japan.

Application will be open from June 1, 2026, to June 30, 2026.

MIF is inviting applications from qualified Kenyan researchers showing significant academic ability for the 2027 program. This is a post-doctoral fellowship which is intended for young researchers looking for research opportunities in Japan. Further details can be found on the attached brochure and <https://www.mif-japan.org/en/fellowship/announcement/>

IX. APPLICATION DOCUMENTS

The following documents must be submitted as PDFs via email to the MIF. Please do not combine all documents into one PDF. All documents must be typed in English (except for #7).

Inadequate documents will not be accepted or screened.

The following will be automatically rejected without notice.

- Emails over 5 MB in size.
- Emails with attachments with file extensions other than "PDF."
- Emails with attachments in any compressed format, such as "zip" or "rar."
- Emails including any program files or downloadable links.

#1. Application Form

Please download the application form from the MIF website. An ID photograph taken within the past three months must be attached. Ensure that the form is filled out precisely. Any application that does not use the prescribed form, which must be signed and dated, will not be accepted.

#2. Reason for Application

Please download the form from the MIF website and write down your application reasons within 500 words.

#3. Research Plan

You must submit the following research plan within 5 pages.

- (a) The content, purpose, and methodology of the research
- (b) The road map of the research project
- (c) The benefit the research project will bring to your home country

(a) and (b) should be described in detail based on discussions with your host professor in Japan.

#4. Curriculum Vitae (CV) and List of Publications

The list of publications must include the titles, authors, journal names, page numbers, and publication years. Also, clearly highlight in yellow the title of the publication related to your intended research project in Japan.

#5. Recommendation Letter

The letter must be from your current home institution (employer) and written on its letterhead. Address it to the Chairperson of the Matsumae International Foundation. The letter should testify to your academic ability and achievements, as well as confirm that you will have study leave during your fellowship period.

#6. A soft copy of the Academic Certificate for Ph.D.

If the document is unavailable in English, attach an English translation (Self-translation is unacceptable).

#7. Letter of Acceptance from Host Professor in Japan

The letter must state the reason why the host professor has agreed to host you and confirm that he or she will arrange your accommodation during the fellowship if you are selected for the fellowship.

The MIF will accept only a letter that is written on the host Institution's letterhead and signed by the host professor.

< To host professors in Japan >

Please write your letter in Japanese or English on your institution's letterhead.

- (1) The letter should be addressed to the Chairperson of the Matsumae International Foundation.
- (2) Write your name and institutional affiliation in Japanese and English, including the department and faculty.
- (3) Include your contact information: postal code, address, phone number, and email.
- (4) Email the applicant your signed letter so that they can include it with their application documents.

< 指導教員の方へ >

以下内容にご留意の上、日本語もしくは英語で作成をお願いいたします。

- (1) 宛先：松前国際友好財団 理事長 宛
- (2) 貴研究機関のレターヘッドをご使用ください。
- (3) 氏名及びご所属は、**和英併記**をお願いいたします。
- (4) ご連絡先（郵便番号・住所・電話番号・メールアドレス）を必ずご記載ください。
- (5) ご署名の上、当該書類（PDF）を応募者にお渡しください。

X. SCREENING PROCESS & ANNOUNCEMENT OF THE RESULTS

- The MIF Screening Committee will evaluate applications.
- Successful applicants will be announced on the MIF website in late November 2026.
- The MIF will send a grant letter to successful applicants.
- It is the policy of the MIF to neither disclose the content of discussions by the Screening Committee nor accept inquiries about individual applications.
- The MIF will not comment on the reasons for the decisions made by the Screening Committee.

I. ELIGIBILITY REQUIREMENTS

Applicants of non-Japanese nationality who meet all the following requirements are eligible to submit application documents.

- Applicants who empathize with the core values of the MIF.
- Applicants must have a full-time occupation in their home country, return there upon completing their fellowship tenure, and contribute to the development of their own country.
- Applicants must hold a Ph.D. (Doctor of Philosophy) at the time of application.
- Applicants must be 45 years old or younger at the time of application. (The birth year must be in or after 1981.)
- Applicants should not have past or current experience of staying in Japan. (other than short-term stays such as for sightseeing or conferences)
- Applicants must obtain acceptance from a host institution in Japan before applying.
- Applicants must have sufficient English or Japanese language ability.
